With caution to reflect state and Tri County guidelines, the Daggett County Courthouse is now open.

The last couple of weeks, we have experienced a higher-than-normal number of visitors for this time of year. We ask, as we transition to a yellow, low-risk status, that all residents and visitors continue to follow the guidelines set by Governor Herbert and Tri County Health. A link to information from Tri County Health can be found on the Daggett County website, www.daggettcounty.org.

A fire agreement between the Town of Manila and Daggett County has been agreed upon. We thank the town for their efforts, their service, and their willingness to work together for the welfare of our area.

Troy Mead has been hired as the new Emergency Management/Emergency Medical Services Director. He is scheduled to start at the end of June or first part of July.

Through the efforts of the late Debbie Weaver, Daggett County was awarded GOED's BEAR Grant to assist in economic development projects. Because of COVID-19 hardship, the county was offered the option of distributing the grant funds as sub-grants to local businesses. We are happy to share that nineteen \$1,000-sub-grants are being awarded to businesses throughout Daggett County that applied for the funds.

Daggett County has organized a new County Economic Development Board (CED Board). The creation of this board will qualify the county for several state grant opportunities as well as a chance to collaborate and promote the well being of the county. Members of the previous Economic Development Board along with several new members are serving on the board. In their first meeting, Diane Ferrin was nominated as Chair, Brianne Carter as vice-chair, and Shiloh Dupaix as secretary.

Mandy Slaugh and the late Rick Slaugh were awarded the Lt. Governor's Volunteer Recognition Certificate. Mandy came to a May Commission Meeting to receive the recognition. We appreciate all that they have contributed to our community.

To assist with functional emergency response, we ask all residents to put addresses on their homes.

Stay safe,

Daggett County Commissioner

COVID-19 PHISHING SCAMS

The coronavirus pandemic has resulted in a spike in misinformation and scamming opportunities. Email security firm Proofpoint reported that 80% of emails intercepted had something to do with the pandemic, while cloud-based email management company Mimecast reported detecting three million COVID-19 emails daily, the vast majority of which was believed to be malicious. The World Health Organization has reported criminals sending fraudulent WHO emails, and Kaspersky Labs has reported fraudulent CDC emails.

In anticipating a continued increase in fraudulent coronavirus attempts, consider the following suggestions to keep you and your organization safe.

Do not provide personal information in response to any online request
Avoid clicking on suspicious email links

You are at risk
Know attackers are out there ready to scam you out of information and/or money

Verify websites are legitimate
Websites asking for information should have a padlock image next to the address signifying a secure connection

Avoid disinformation
Obtain and cross-check information from reputable sources; be wary of information posted on social media

Create unique usernames and passwords for each account
This reduces the risk of extensive compromise across multiple accounts

MARIE LORRAINE TRIPLETT WILKINSON
JUNE 11, 1940 ~ MAY 24, 2020

Marie Lorraine Triplett Wilkinson, resident of McKinnon, Wyoming, age 79, passed away peacefully on Sunday, May 24, 2020, at her home.

Marie's beloved companion, Steve, preceded her in death on August 27, 2012, and we take great comfort in the belief that they are once more together, their eyes looking toward eternity. She is survived by her seven children: Sara Marie Lamb of St. George, Utah; Rhodes (Alison) Wilkinson of Hyrum, Utah; Chris (Vida) Wilkinson of Layton, Utah; Robin (Blake) Savage of Hyrum, Utah; Weston (Wendee) Wilkinson of Hurricane, Utah; Dana (Kerri) Wilkinson of McKinnon, Wyoming; and Joseph (Natasha) Wilkinson of McKinnon, Wyoming, 21 grandchildren, 3 great-grandchildren, as well as siblings and many nieces and nephews.

Marie was born June 11, 1940 to Ruel Bliss Triplett and Veda Elmira Meeks, growing up in McKinnon, Wyoming. She attended the University of Wyoming in Laramie, Wyoming, pursuing a degree in education. She worked for the Bureau of Reclamation in Dutch John, Utah until her marriage in 1960. When they made the decision for our father to go back to school for another degree, she worked for Northwest Pipeline in Manila, Utah in 1979, for one year.

Our father loved to tell the story of how he fell in love with a beautiful, dark-haired girl with skinny arms who was hanging out the family laundry. After a 2 year engagement, she was sealed to Steve B. Wilkinson in the Manti LDS temple on March 18, 1960. Steve and Marie's first home was Vernal, Utah, where Steve worked for the Bureau of Land Management. Subsequent transfers and six children later saw the growing family move to Fillmore, Utah; Green River, Wyoming; and Dillon, Montana. Upon retiring from the Bureau of Land Management in Dillon, Steve and Marie settled in McKinnon, Wyoming, where their last, and seventh, child was born. They spent many happy years raising their children on the family ranch which they had developed through hard work and dedication.

Marie was first and foremost a mother to her children. She exemplified true Christ-like service through her daily acts of love performed on behalf of her family. She was an incredible cook, well-known for her bread, rolls, and pies. Marie was also an expert seamstress, sewing many dresses, quilts, and clothing for her children and grandchildren. She loved to garden, often growing a large vegetable garden from which she bottled the harvest each fall. Marie's love of flowers was illustrated in the many varieties of annuals and perennials growing in her large flower garden that greeted visitors to their home. She was deeply involved in genealogy, recording important dates for and researching interesting details about her ancestors. Marie was active in the LDS Church, and dedicated to her callings as Relief Society president, Sunday School teacher, Compassionate Service Leader, Visiting Teacher, and Ward Librarian. She loved going to church and studying the gospel. Marie enjoyed going on trips with her children and was always up for another adventure. She was a remarkable lady in every sense of the word, very kind and gentle, with just enough sass to stand her ground. Her positive influence and uncomplaining nature had a huge impact on her children and those with whom she came in contact. Marie was greatly loved by those who knew her and she will be missed by all.

A graveside service will be held in her honor on Saturday, MAY 30, 2020 at 11:00 at McKinnon Cemetery. Condolences for family can be left at www.foxfh.com.

To send flowers or a memorial gift to the family of Marie Wilkinson please visit our Sympathy Store.
