MES “DOES THEIR PART” ON EARTH DAY

MES STUDENTS

Press Release by Alan Staggs:

Dateline: Manila, Utah, April 2021 - Service is an important lesson to the students of Manila Elementary School. Earth Day 2021 was no exception. Students spent the better part of Thursday morning, April 22nd cleaning up the grounds of Manila School Campus. With gloves on and trash bags in hand, the army of students went about battling trash on campus and coming off conquerors.

Every year on April 22nd, Earth Day marks the anniversary of the modern environmental movement which began in 1970. Senator Gaylord Nelson from Wisconsin had long been concerned about the deteriorating environment in the United States. In January 1969, he and many others witnessed the ravages of a massive oil spill off the coast of Santa Barbara, California. Inspired by the student anti-war movement, Senator Nelson wanted to infuse the energy of those student protests with an emerging public consciousness about air and water pollution.

By the end of 1970, the first Earth Day led to the creation of the United States Environmental Protection Agency (EPA) and the passage of several environmental laws that have protected men, women, and children from disease and death and have protected hundreds of species from extinction.

Kindergarten teacher Carol Slaugh said, “MES students are Earth’s biggest fans! We cleaned the earth by joining hands!” It is a tradition we at MES intend to keep for years to come.

RECIPE OF THE MONTH

Ground Beef Casserole

You'll need:

- 1 pound uncooked penne
- 1/2 medium onion chopped
- 1 pound extra lean ground beef
- 1 tablespoon olive oil
- 1 clove garlic minced
- 1.5 cups marinara sauce
- Salt & pepper to taste
- 1.5 cups shredded cheddar cheese

Directions:

Preheat your oven to 400F and move the rack to the middle position. Grease a 9x13 baking dish (I use Pam spray).

Boil a large, salted pot of water for the penne. Cook it for 10 minutes (it should be slightly underdone so it doesn't get mushy).

Add the oil, beef, and onion to a skillet. Sauté over medium-high heat, breaking the meat up as you go along, for 10 minutes. Once it gets going, stir in the garlic. Spoon out excess fat if needed.

Stir in the marinara sauce and warm through. Give it a taste and season with salt & pepper as needed.

Drain the pasta and pour it into the baking dish. Pour the beef mixture over top and then toss until it's combined with the pasta. Top with an even layer of the cheese. If you want it extra cheesy, you can stir in an additional half cup of cheese prior to topping it with the rest of the cheese.

Bake for 10 minutes, uncovered, until the cheese is nicely melted. Then I broil it for a few minutes (optional) to brown the cheese up a bit. Serve immediately.

This is a very flexible recipe where additions/substitutions/etc. are fine.

MEMORIAL DAY

remembering our fallen heroes

MEMORIAL DAY IS A SOLEMN DAY OF REMEMBRANCE FOR EVERYONE WHO HAS DIED SERVING IN THE AMERICAN ARMED FORCES. THE HOLIDAY, ORIGINALLY KNOWN AS DECORATION DAY, STARTED AFTER THE CIVIL WAR TO HONOR THE UNION AND CONFEDERATE DEAD. THE DAY WAS STARTED ON MAY 5, 1868, BY GENERAL JOHN A. LOGAN. GENERAL LOGAN ISSUED A PROCLAMATION CALLING FOR "DECORATION DAY" TO BE OBSERVED ANNUALLY AND NATIONWIDE. IN 1971, MEMORIAL DAY WAS DECLARED A NATIONAL HOLIDAY BY AN ACT OF CONGRESS, EVEN THOUGH IT IS STILL OFTEN CALLED DECORATION DAY.

Obituaries

Jesse Salsibury
April 3, 1941 - April 5, 2021

Our loving husband, father, and grandfather passed away on Monday, April 5, at age 80, due to complications from a stroke. Although his family is sad that he is gone, they feel peace knowing that he is without pain and is with his Father in Heaven.

Born to Jesse Henry Salisbury and Alice Craven on April 3, 1941, in Salt Lake City, he was the second oldest child and first son in the family. He attended Granite High School. During his youth he enjoyed building go-carts, finding the parts for them wherever he could and saving his money to buy motors. He enjoyed riding them down the street with his friends.

He was an active member of The Church of Jesus Christ of Latter-Day Saints and served as a temple worker for many years.

Jesse married Claudia Wilson on June 15, 1961. They were later divorced. They had three wonderful daughters, whom he adored.

He married Ellen Hatch on September 22, 2001 in the Salt Lake City Temple. He loved Ellen very much along with her Sons, Reed Sheriff (Julie) and their children Dylan, Carson and Aiden. Scott Sheriff and his daughters Joslyn Larsen and Nicole Empey and great grandchildren Paige, Allie and Cole. He loved serving her and her family. They made their home in Centerville.

Jesse worked at Tracy Aviary for 12 years, helping care for the birds and animals there. He had a great knowledge and love for birds, and even raised them at home. He later became a plumber and worked for 36 years at the Salt Lake City Parks Department. He also owned his own business, JC Plumbing. He took pride in his work and never took shortcuts on any job. We are sure that much of his work is still in place today at the State Fair Grounds and Liberty Park.

He loved camping with his family. His favorite places were Smith and Morehouse, Bear Lake, Flaming Gorge, and Yellowstone. He loved sharing his knowledge of the outdoors and always had great stories to tell. He loved talking about the bears in Yellowstone, and he always knew where to find them. He loved to fish at Flaming Gorge, his favorite spots were Little Hole and Dutch John.

Jesse was creative and good at working with his hands. He enjoyed welding and building things. He loved travelling, especially with Ellen. One of their favorite places to visit is Hawaii. He often talked about moving there.

He loved spending time with his daughters and grandchildren. They were his pride and joy. He loved his visits with them and made sure to call his daughters weekly.

Jesse is survived by his loving wife Ellen and his four daughters, Stephanie Wright (Terry), Tammy Parker, Robyn Jones (Jeremy), Brae McDougald (Shane). He is also survived by his grandchildren, Reily, Taylor, Morgan and Camryn, four sisters, and three brothers.

He is preceded in death by his parents, his brother Stephen, and his sister Sharryl.

The viewing will be held prior to the funeral, Monday, April 12, 2021 from 11:30 a.m. to 12:45 p.m., at the Church of Jesus Christ of Latter-Day Saints Chapel, 950 N Main Street in Centerville, Utah. The funeral services will begin at 1:00 p.m.

Masks are to be worn and social distancing is encouraged throughout the service. The service will be livestreamed for those who are unable to attend.

John Hayden Greer, 89, of Honeyville, Utah, passed away home due to natural causes. He was surrounded by his loving family.

John was born Nov. 30, 1931, in Campus, Kansas, to Oscar Warren and Ethel Pearl (Stults) Greer. He was the 11th of 13 children, two of whom passed away in infancy.

After completing the eighth grade, he left home to work out west on farms and to be closer to his brothers.

John served in the Army for three years between 1949 and 1953. His primary stations were at Fort Custer and Fort Wayne, Michigan.

He married Luana Ruby Morrell on Dec. 26, 1957, in Elko, Nevada. They were later sealed in the Logan Temple of The Church of Jesus Christ of Latter day Saints in February of 1963.

John spent most of his career working first with Morrison-Knudsen on the railroad causeway running by Little Valley, Utah, and later on the Flaming Gorge Dam. John later became a heavy equipment operator for Wasatch Electric on numerous power line jobs throughout the Intermountain West. John also raised cattle and enjoyed working on his ranch in Wyoming where he developed friendships with several good people.

John was a convert to the LDS Church and served faithfully in many callings.

He was preceded in death by his parents; brothers: Jack, Leo, and Joe; sisters: Iva, Imogene, Betty, JoAnn and Judy; and his wife, Luana.

He is survived by his four children: Rick (Gayla) Greer of Sioux Falls, South Dakota, Vickie (Mike) Tripp of Stockton, Utah; Debbie Stout of Honeyville, Utah; and Bonnie (Kent) Jensen of Dayton, Idaho; 11 grandchildren and 24 great grandchildren; a sister, Elaine; and a brother, Wayne.

The Greer family would like to thank Bishop Craig Anderson and Bristol Hospice, especially Holly Nielsen and Skyler, for their care and assistance during a difficult time.

Graveside services were held April 26 in the Willard Cemetery.

Condolences and memories may be shared with the family at www.gfcutah.com.
