Hope everyone had a very happy and joyful Holiday! Another year has come and gone and the county is still moving forward on some initiatives! Much progress has been made on the walking/biking trail. Hopes are that construction will begin late spring 2024. The ski resort is also seeing progress. The Seven Counties Infrastructure team is looking for ways to help move this project forward. New electrical and lighting has been added to the Rodeo grounds. Elections were held for the Town of Manila and Dutch John's mayoral positions. Congratulations to Kathi Knight (Manila) and Butch Johns (Dutch John). It has been an incredible year and here's hoping that this year will be even better!

Recipe Of The Month

Baked Mini Corn Dogs

RECIPE COURTESY OF FOOD NETWORK KITCHEN
From: Food Network Magazine

Directions:

1 Warm the milk to about 110 degrees in a saucepan; pour into a medium bowl. Sprinkle in the yeast and let soften for about 2 minutes. Stir in the olive oil, brown sugar and cornmeal with a wooden spoon. Add the flour, salt, baking soda and cayenne pepper; stir to make a sticky dough.

2 Turn the dough out onto a lightly floured surface and knead, adding more flour if needed, until smooth but still slightly tacky, about 5 minutes. Shape the dough into a ball, place in a lightly oiled bowl and cover with plastic wrap. Let rise in a warm spot until doubled in size, 45 minutes to 1 hour. Meanwhile, insert a wooden stick or small skewer into each hot dog half, about 1 inch deep; set aside.

3 Preheat the oven to 450 degrees and lightly oil a large baking sheet. Turn the dough out onto a lightly floured surface; divide into 18 pieces. With your palms, roll each piece into a 10-inch length. Wrap each piece around a hot dog half, tucking and pressing the edges to seal; place on the baking sheet.

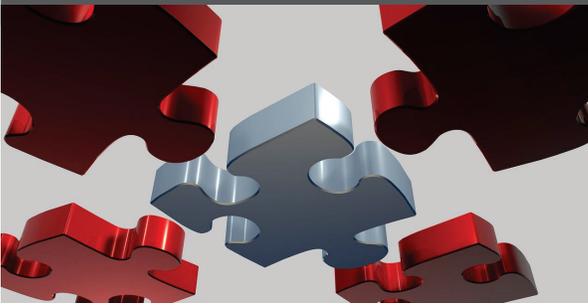

4 Brush the dough-wrapped dogs with the beaten egg; sprinkle with sesame seeds, if desired. Bake until golden, 15 minutes.

Ingredients:

- ✓ 1 cup reduced-fat milk
- ✓ 1 package active dry yeast
- ✓ 2 tablespoons extra-virgin olive oil, plus more for greasing
- ✓ 2 tablespoons packed light brown sugar
- ✓ 1 cup fine yellow cornmeal
- ✓ 1 1/4 cups all-purpose flour, plus more for dusting and kneading
- ✓ 1 teaspoon salt
- ✓ 1/4 teaspoon baking soda
- ✓ 1/4 teaspoon cayenne pepper or paprika
- ✓ 9 reduced-fat hot dogs, halved crosswise
- ✓ 1 large egg, beaten
- ✓ 1 tablespoon black sesame seeds (optional)

School District Updates

DAGGETT SCHOOL DISTRICT BOARD HIGHLIGHTS

The Daggett School District Board met on December 12th in Manila.

At this meeting the board modified the 2024-25 school year calendar. School will now start on August 14, 2024. This is two days earlier than previously planned. This change will allow teachers and students to take the Wednesday before Thanksgiving off and allow for a five day spring break. Teacher check-in is scheduled for August 12th, 2024.

Recently the Daggett School District conducted a school security and safety review which found that improvements could be made. An application to fund these improvements was made and the Utah State Legislature provided \$440,333 to Daggett School District. Of this total Flaming Gorge Elementary School received \$144,840, Manila Elementary School received \$150,042 and Manila High School received \$145,451. This funding will improve the safety of our students and teachers. It will be used to provide additional training in safety and security roles, improved CCTV monitoring, vehicle barriers at school perimeters and measures to slow traffic on school grounds. It will also be used to fund the following:

- bullet-resistant glass coating for all perimeter and some interior windows
- emergency or duress alarms allowing staff to quickly notify law enforcement
- master school interior and exterior door keys for law enforcement
- electronic entrance for all classroom doors (fobs)
- panic button to lock classroom doors simultaneously
- improved first aid kits for each classroom
- bolt-down metal collapsible bollards
- a special barrier in front of MHS's main entrance.

The funding will also provide for the installation of an emergency generator at Flaming Gorge Elementary. This would allow FGE to serve as a community emergency center if ever needed.

Meeting notes and audio recordings of all Board meetings can be found on-line at Daggett School District: click on "School Board", then under Government Type select "Public School", then under Entity select "Daggett County School District", then under Public Body select "Board of Education".

The next board meeting is scheduled for January 9th at 6:00 PM in Manila where we plan to continue our review of Daggett School District's Vision, Mission and Goals statement and to begin the process of updating our long-term strategic plan. Your input is invited!

Harold “Clark” Laudato

Harold “Clark” Laudato, 78, fought a valiant battle with a sudden illness and in the end his body was just worn out and he passed peacefully. Clark passed away on September 27, 2023, in Rock Springs, WY, with his family at his side. Clark was born on December 6, 1944, in Schenectady, New York to Sylvester William “Bill” Laudato and Esther Male Laudato. Clark was married to Tamra Ann Mutti on June 10, 1966, at Hill Air Force Base, Utah.

They celebrated 50 years of marriage with most of their family present in Island Park, Idaho. Shortly after their anniversary Tamra passed. Clark and Tamra have two children: Sheila Ann Laudato (Mitchell) and Michael William Laudato. Clark retired from the United States Air Force, during which he was stationed at Hill Air Force Base for 25 of his 26 years of service. After Clark retired from the military he worked as a contractor at Hill Air Force Base. Clark also retired from the US Coastguard Auxiliary. One of dad’s great joys and passion, was to coach and watch hockey. He coached many teams throughout the years and enjoyed traveling throughout the United States and Canada with the hockey team and their families. Clark enjoyed friends and family, boating, fishing, reading, and watching his favorite television shows! Dad also loved being a volunteer during Spring Training for the Padres and Mariners at the Peoria Sports Center, in Peoria, Arizona. His favorite place was our home in Manila, Utah (Flaming Gorge) where he loved spending time with family and friends. After retirement, Clark and Tamra spent their time between Manila, Utah and Sun City, Arizona. Dad loved the mild winters of Sun City and all the facilities it had to offer them. He has great friends and neighbors in both Manila and Sun City. Clark married Mary O’Leary, his lifelong friend, on April 15, 2023, in Sun City Arizona. Although they only had a few short months as a married couple, they lived life to the fullest. Dad was able to take Mary up to Flaming Gorge where they both enjoyed spending time with the family, and most of all, the grand kids and great grandkids. Memories cherished. In Loving Memory

Duane Edward Green

Duane Edward Green passed away peacefully surrounded by his family on December 12, 2023. He was born March 18, 1947 to Eldon and Virginia Green of Layton, UT and was the oldest child with three younger sisters, Sharon Green, Denise Jensen, and Connie Bright. As a child Duane helped his grandparents Octavia and John Edward Neville on their farm in west Layton. He was active in sports, playing football, basketball, and baseball for the Central Davis Junior High Cubs. He attended Davis High School and participated in sports, playing basketball and football and working at Smith's grocery store, where he used his earnings to buy his first car, a Chevrolet Corvair. Duane joined the Air Force out of high school where he served for a year. He then attended Weber State university for 3 years where he studied accounting. He married the love of his life Linda Jean Sackett on July 2nd 1971 and celebrated 52 years together. He continued his commitment to hard work after graduation. He joined W.R. White Company in 1972 as a dispatcher and eventually became Vice President of Sales and was a committed manager, mentor, and co-worker. Duane spent the next 39 years there even as the company was sold to Old Castle in 2000. He left Old Castle in 2011 and spent his last couple years at Western Water Works, where he retired in 2013. Duane loved to visit White's orchard and take their famous peaches to his customers every fall. Duane was a committed father and husband. Him and Jean spent years boating with family and friends at Flaming Gorge and hosting at their home in Manila, UT. They loved to travel to their home in Mesquite, NV during the winters and invited friends and family to join them often. More recently Duane simply enjoyed spending time with his grandkids and family. He was generous and caring of those close to him. If you were the subject of a joke, you knew he cared about you. Duane was preceded in death by his son Bret John Green in October. He is survived by his loving wife, Linda Jean Green, daughter Shellece (David) Howell, grandchildren Kedric (Sydney) Capron, Charlee (Tallis) Capron, Brady (Laramie) Green, Cody Green, 2 great grandchildren, his three sisters, and many more close family and friends. The family wishes to thank those friends and neighbors that have helped Duane and Jean in recent years. Jean specifically wanted to thank their daughter, Shellece, for her commitment and time she spent caring and supporting Duane in his final weeks. Also, sincerest thanks to Community Nursing Services Hospice Team for their care and compassion. The pain of grief is just as much part of life as the joy of love. It is perhaps the price we pay for love, and the cost of commitment. Please join us for a celebration of life on Friday January 5, 2024 at 2:00 p.m. at Lindquist's Layton Mortuary, 1867 No. Fairfield Rd Layton, Utah. Friends may visit with family Friday from 12:30 to 1:30 p.m. at the mortuary prior to the celebration.
