Keeping you Informed

On February 20th we welcomed Senate hopeful Brad Wilson and some of his staff to our commission meeting. Several county citizens were in attendance and were invited to address issues and concerns within our area. Former Speaker of the House, Brad Wilson discussed topics such as housing needs in rural communities, balancing budgets and “going along to get along”. Anyone with questions regarding his views and priorities within our state are welcome to contact his office for additional information at any time. As we’re heading toward the downward side of winter, it’s time to start preparations for the upcoming summer season. As our summer residents return and our population grows, several businesses in Daggett County have placed advertisements for employment opportunities. Be sure to look at local businesses websites or Facebook Pages. Also within the county, there are several volunteer opportunities still available. Contact us here for more information.

Stay tuned for next month!

MHS FEBRUARY NEWS

— HOMECOMING —

This year the student body decided to reinvent homecoming by making it a competition between the entire school. At the start of homecoming week, the student body split students into four different groups – red, black, white, and gray – to compete for the title of Homecoming Champion. From movie Monday, tourist Tuesday, wacky Wednesday, and spirit Thursday the halls were filled with students and teachers dressed for the occasion. Some highlighted costumes were Mr. Gonder as Mrs. Doubtfire, Teague Goodman as James Bond, and a group of girls as Teenage Mutant Ninja Turtles. During the week, the student body hosted many activities consisting of a dance competition, relay races, a Rocky-scene remake, and cheer-offs. In the end, the white team came out victorious, wowing the judges with their dance to Rihanna's song "Dancing in the Dark."

— JUNIOR HIGH BASKETBALL —

The Junior High Boys Basketball season has been an unparalleled success filled with new beginnings and memories. The team introduced new coaches Cody Muir, as head coach, and Steve Forbes, as assistant coach. These two brought fresh perspective and dedication to the program. Over the course of the season, the 21 players gained both skill and knowledge. The season culminates with a home tournament on February 23.

— JUNIOR HIGH CHEER —

Along with the new year came a new sport; junior high cheer. It came with new coaches Alex Martin and Alena Oldhorn, along with an amazing team of 12 girls. Although this was a new addition to Manila sports, the team quickly got the hang of things and the girls were able to cheer for junior high games, tournaments, and perform at freshman and jv high school games. The team learned two routines to the songs "Life is a Highway" and "Pink Friday Girls" that they performed at half times. They also learned many cheers and fun stunts throughout the season.

— CHEER DIVISIONALS —

Manila High School's cheerleading team competed in Divisionals at Salt Lake Community College on January 12, 2024. The team, who had put in countless hours, competed in three routines: show, time-out cheer, and time-out dance. After competing back to back, the talented team left with many awards including second place in both cheer and dance, and first place in show. In an outstanding display of skill, precision, and creativity, the Manila cheer team was awarded first overall 1A Co-Ed Divisional Champions, emerging with their first regional championship.

— BASKETBALL —

The Manila High School Basketball season is drawing to a close. Both teams ended their region play against the Rich Rebels on February 17, 2024 in Randolph, Utah. In conclusion to the 2023-2024 season, both the boys' and girls' teams are headed down to state which will be held in Richfield, Utah starting February 27, 2024. The highschool student body and staff along with the home-town community will be cheering the teams on and wishing them the best of luck.

Erik Charles Hiller

Erik Charles Hiller, a radiant light in the lives of those fortunate to know him, passed away unexpectedly in his sleep on February 1, 2024, just a few days before his 44th birthday (February 4, 1980). Erik's love for his relatives shone brightly through his actions and caring nature. He possessed an unparalleled willingness to go above and beyond for those in need, making everyone around him feel like a special person. Erik's vibrant presence was the heartbeat of numerous family adventures, where he shared his wisdom with nieces and nephews during fishing trips, fearlessly assumed the role of the Oreo filling on a three-person tube at the lake, and spun tales around the campground fire. His infectious smile and zest for life were constant companions, especially when immersed in the great outdoors alongside family, illuminating his joyful spirit. One standout memory etched in the hearts of those who knew him was the countless hours spent fishing with Erik. His determination and camaraderie during a trip to East Canyon symbolized his character. Despite an initial setback, Erik insisted on returning the next day until he caught a fish. The bond forged between family extended beyond fishing to encompass laughter during snowmobiling adventures and shared moments installing rain gutters. Erik's boundless generosity and love reached a pinnacle when, just a few months ago, he offered his kidney to his brother in need, expressing his love and the desire for another fishing trip in a sincere gesture. His patient guidance and infectious passion for nature have left an indelible mark, ensuring that every venture into the great outdoors by his loved ones becomes a tribute to the enduring legacy of Erik Hiller. Erik is survived by his children Taylor (Vienna), Hunter, and Emma; his parents Craig and Holly; siblings Mike (Maile), David, Heather (JR), Natalie (David), Joe (Mariel), Jonathan (Kjarinda), and Andrew (Amy).
