Daggett County Emergency Preparedness Fair "Communities Prepare Together"

Daggett County Park
August 31st 2024
10AM to 3PM

We are planning on having an obstacle course for the kiddos, vendor booths about emergency preparedness and plenty of swag to give away. We will also be doing a bingo game, a bingo card will be handed out to whoever comes to the fair and if they visit all the vendor booths and get black out we will have prizes to give away.

Our goal is to help our community prepare for an emergency situation if one was to ever occur and know what resources are available.

If anyone wants to donate a prize or a donation amount please reach out to:

kanderson@daggettcountry or text or call 435-722-7021.

Commissioner Corner

Keeping you Informed

The Permanent Community Impact Fund Board provides funding to counties, cities and towns that are impacted by mineral resource development on federal lands. Because local communities cannot collect taxes from federal lands, their ability to provide necessities like roads, municipal buildings, water and sewer service is diminished. To reduce that burden, a portion of the federal lease fees are returned to the Community Impact Board (CIB) to distribute to the impacted communities. Daggett County falls under the CIB umbrella. An application was submitted to the CIB Board last fall. On June 6, 2024 we were awarded 7.3 million dollars to construct a much needed new clinic that will add services that have not been available in our County before. A reservable conference room has been included within the building designs to allow for Economic Development strategies. The room will accommodate 90 plus individuals for conferences, conventions, training programs etc.. A huge thank you goes out to the Daggett County Commissioners with an emphasis on Commissioner Asay, Jesse Platt, Jones and DeMille Engineering and countless others. Their hard work has made this a reality for our county!

Recipe Of The Month

Summer Berry Jelly

Ingredients

14 platinum-strength gelatine leaves

3 cups (750ml) apple & raspberry cordial concentrate

250g strawberries, hulled, quartered, plus extra to serve

50g each raspberries, blueberries, blackberries and pitted cherries, plus extra to serve

Vanilla ice cream, to serve

Directions

1. Soak gelatine leaves in a medium bowl of cold water for 5 minutes to soften.
2. Combine cordial and 4 cups (1L) water in a large jug. Pour 1 1/2 cups (375ml) into a small saucepan. Place over high heat until hot. Squeeze excess water from gelatine, add to saucepan and stir until melted. Add gelatine mixture to jug and stir to combine.
3. Pour all but 300ml gelatine mixture into a 23cm bundt pan. Set remaining 300ml gelatine mixture aside, covered. Refrigerate pan for 2 1/2 hours until jelly is almost set but still liquid (test by gently pushing a piece of fruit into jelly; if it floats to the top, jelly isn't set enough).
4. Once jelly is almost set, add fruit to pan, gently pushing down into jelly. Pour over reserved gelatine mixture, to ensure a flat base. Refrigerate for 6 hours or overnight.
5. To serve, fill a large bowl with hot (not boiling) water and dip base of pan in water for 30 seconds. Place a serving plate over base of pan and carefully flip pan over onto plate, allowing jelly to slide out. Keep chilled until ready to serve.
6. Serve with extra berries and ice cream.
