<https://uetn-org.webex.com/meet/lasay>

The Board is working on a Strategic Plan. This is an opportunity for community involvement.

Possible Topics for Discussion

1. Student Safety

We give your children prevention training about each of these issues: Bullying, Internet, Suicide, Sexual Abuse, Drugs/Alcohol.

Mental Health

We are providing many mental health services for students. Suggestions?

2. School Security

New legislation requires: single entrance schools; bullet resistant windows; security cameras; wearable panic buttons; a person in each school who has a concealed weapon, who is trained to use it; schoolyard fencing; etc. What are your concerns? Do you feel your children are safe at school?

3. Bond

The current Bond will be paid off in 5 more years. Part of the Strategic Plan is a Building Plan. We have issues with buildings meeting current seismic standards. What else should the Board be considering?

4. Early Learning Emphasis

Daycare, Pre-School, Pre-Kindergarten, All-Day Kindergarten, more diagnostic tools, faster intervention. What else would you suggest?

5. Manila HS Curriculum

Are we giving your students enough guidance regarding HS Courses, College Applications, FAFSA, and Scholarships?

Concurrent Enrollment

Your kids can earn college credit for “free”.

CTE Emphasis

CTE pathway completion. Future Farmers of America (FFA), Future Business Leaders of America (FBLA), and a new program this Fall—Family, Career, and Community Leaders of America (FCCLA).

6. Sensitive Materials

Are you aware of any school resources that could be considered “inappropriate”?

7. Other

Is there something else you would like to talk about to help improve our schools?

Refreshments will be served.

THE DAGGETT COUNTY FENCE POST

Daggett County Emergency Management

PREPARE | RESPOND | RECOVER | MITIGATE

Emergency Preparedness Fair August 31, 2024 10AM - 3PM Daggett County Park

We are planning on having Smokey Bear there, an obstacle course for the kiddos, vendor booths about emergency preparedness and plenty of swag to give away. We will also be doing a bingo game, so a bingo card will be handed out to whoever comes to the fair and if they visit all the vendor booths and get black out we will have prizes to give away. Our goal is to help our community prepare for an emergency situation if one was to ever occur and know what resources are available.

**If anyone wants to donate a prize or volunteer please reach out to:
