## Emergency Response Exercise

A successful Full-Scale Exercise was conducted on April 20th 2024 in Region 5. Region 5 consists of Daggett, Duchesne, and Uintah Counties. We are proud to announce the successful execution of a comprehensive full-scale emergency exercise. These Counties exhibited unmatched dedication to preparedness, coordination, and safety. The exercise simulated a realistic emergency scenario to evaluate the organization's response capabilities. With over 120 participants on scene and additional attendees at local hospitals, the exercise showcased professionalism and knowledgeable participation from local, state, federal, and private partners. This exercise fostered coordination, and team work that is essential during crisis situations. This exercise evaluated various aspects, including incident command structure, resource allocation, hazmat response, and medical capabilities. Through this exercise, Region 5 reaffirmed its commitment to safeguarding the well-being of our communities by enhancing preparedness and resilience against potential emergencies. Daggett County is proud to be a part of Region 5 and we remain steadfast in our dedication to the safety and well being of our citizens.

## Leta Walquist

Leta Walquist has received the Golden Shovel Award from the Soil Conservation District. We would like to honor her for this achievement and for being an amazing example to all of us!

Leta was born at home on March 20th, 1936 growing up with seven siblings working on the family ranch. She loved to tag around with her Dad, wanting to keep up with the boys, wear Levi's and ride her horses! She worked very hard using a team of horses to accomplish ranch work.

She loves being a part of family rodeos where her family could break horses to ride.

Leta graduated from Manila High and attended BYU University in Provo where she met her husband, Joe Wahlquist. They married in 1955 welcoming three children Leslie, Kathy and Eric.

They also raised a Navajo boy, Jerry whom they consider their own son.

Joe worked for IBM in Utah later moving to California for employment. They continued to return to Manila in the summers working on the ranch. They returned back to Manila when it was time to retire and built the log home they dreamed of, being able to enjoy the ranch year round.

Leta worked for the Daggett County Sheriff's office and was an EMT for ten years. Leta is a talented artist and enjoys painting with oil and acrylic, where she portrays her love of the western lifestyle. Leta also taught art at the High School for seventeen years and enjoyed getting to know the students.

She enjoyed wagon trains where she would drive her Haflinger horses. She participated in the Utah Centennial wagon train from Logan to Cedar City the entire month of June 1996. Leta's very active and enjoys visits with family and friends.

# Public Safety

Greetings citizens of Daggett County. I am writing to you today to discuss an issue that has been brought to my attention and that needs to be addressed with urgency.

It has been reported that there is a group of teens, all of which attend Manila High School, that have been drinking and binge drinking alcohol. This is very concerning to me as a law enforcement officer and grandparent of a teenage girl attending this school. There seems to be a couple different ways that these teens are obtaining alcohol. Please remember the legal age to possess and/or drink alcohol in the state of Utah is 21 years of age. I am not going to dwell on the developmental concerns with our young people but I have attached two laws that are often overlooked but should be known and taken seriously. There may have been a time when it was considered “okay” to allow a teen to drink in their own home, with a parent or guardian. This is not okay and is against the law. The law for this has been attached to the next page of this statement. The other way that has been reported is that teens are obtaining alcohol in our area through burglary. Please remember that burglary, also known as breaking into another person’s home, is a second degree felony and is punishable by up to 1-15 years in prison and up to a \$10,000.00 fine. Reports state that several teens are breaking into summer homes to obtain the alcohol they are consuming. This could be very dangerous if the homeowner were home at the time of the burglary, which could result in a confrontation causing serious injury or death. I bring this to your attention, not to point fingers or make accusations but to enlighten parents as to a growing problem in our community, which some say is at epidemic proportions. It has also been said that these teens are driving while under the influence of alcohol. I do not want to have to tell a parent that their child has died from an alcohol related incident. With your help and awareness we can curb this issue and keep our children and community safe.

Please Help the sheriff's office make a difference.

Thank you,

Erik L. Bailey

## **“Contributing to the delinquency of a Minor”**

**According to Utah Code § 76-10-2301, contributing to the delinquency of a minor is when someone encourages a child to break any federal or state law, county or municipal ordinance, or court order. This includes any adult who commits an act that they know or should know will cause a minor to commit a misdemeanor or infraction. The child’s actions do not need to be serious, even if they are an infraction. For example, if a child is encouraged or induced to commit an infraction, the adult is still considered to be contributing to the child’s delinquency.**

**Contributing to the delinquency of a minor is a class b misdemeanor, and if convicted, is punishable by up to 180 days in jail and up to a \$1,000.00. It can also affect a person’s position in custody or visitation disputes, and remains on their criminal record.**

## **“Sale, offer or furnish alcohol to a minor”**

**According to Utah Code 32B-4-403, A person may not sell, offer for sale, or furnish alcoholic products to a minor. Except as provided in Subsection (3), a person is guilty of a class B misdemeanor which is punishable by up to 180 days in jail and up to a \$1,000.00 fine. If the person who violates Subsection (1) negligently or recklessly fails to determine whether the recipient of the alcoholic product is a minor.**

# School District Updates

## **DAGGETT SCHOOL DISTRICT BOARD HIGHLIGHTS**

The Daggett School District Board met on March 12th in Dutch John and Manila. While the meeting was originally scheduled to be held in Dutch John, a storm prevented Board members from traveling to Dutch John, so the meeting was conducted in Manila and attended by other board members electronically. Board members attending the meeting in Manila were Chelsey Lail, Sarah Wilson and Rob Gahley. Ross Catron and Charles Card attended electronically. The Board reviewed a self-evaluation of its effectiveness and while we are doing many things well, our evaluation showed that the Board could improve communications with the community, teachers, and staff. We are developing plans to improve in these areas. One avenue that Superintendent Bruce Northcott is pursuing to improve communications is by conducting a podcast where he discusses key issues and challenges that the Daggett School District is facing. The podcasts are occurring twice a month and are available to look at on our web-site. Another avenue that we're pursuing is hosting a School Board Town Meeting on August 27, 2024. We expect to be sharing a lot of information and doing a lot of listening. We look forward to your participation. More details will be following. The Board approved the Fee Schedule for those students participating in additional school sponsored activities. This is required by law. The Fee Schedule can be found on our website. There have been two retirements announced recently. Carol Slaugh and Deb Tinker will be retiring at the end of the school year. Carol has been helping at Manila Elementary School since 1998. She then received her teaching degree and began teaching Kindergarten in 2004. She is currently the Lead Teacher at MES. Deb Tinker began teaching at MES in 1994 and then took a few years off to serve an LDS Mission. Upon returning she taught in Dutch John for a year in 2006, then taught in the Nebo School District for 7 years, and then returned to MES in 2015 for the remainder of her career. We will miss them both and wish them the best of luck. Meeting notes and audio recordings of all Board meetings and podcasts can be found on-line at the Daggett School District web-site. The next regularly scheduled Board meeting is April 9th at 6:00 PM in Manila. Come join us!

## John Despain

Born November 15, 1942 to John Arthur Despain and Mary Elizabeth Swett, in Green River, Wyoming. He was the 6th child and the only boy. At the time of his birth, they lived on Henry's Fork, Sweetwater County, Wyoming. When John was only 9 months old his father died and his mother moved the family to Vernal, Uintah County, Utah. He started school in Vernal, Utah and after his mother married Sylvan Arrowsmith they moved to Greendale, Utah. The kids were boarded out during the winter with relatives and went to school. Tenth grade he went to school in Roosevelt, Utah and 11th and 12th grade he went to school in Manila, Utah, and lived with the Levi and Beatrice Reed family. That's where he met Gail and they were married November 22, 1963, in Manila. They had two children, Randall and Starla. He worked construction for many years and his family would go with him in the summer when the kids weren't in school. He then bought a log truck and hauled logs to mills until he retired. John loved being busy. He was always looking for something to take apart so he could see how it worked and most of the time he could get them put back together in working order. He loved his family more than anything in the world. He was so happy to get his first granddaughter, Tahnee, and then his first grandson, Hadin. Later he got his great granddaughter, Jaysha, which made his family complete. He is survived by his wife, Gail, of Manila, daughter Starla Williams, of Reliance, Wyoming, granddaughter Tahnee Williams, of Rock Springs, Wyoming, grandson, Hadin Williams, of Reliance, Wyoming and great granddaughter, Jaysha Williams of Rock Springs Wyoming, three sisters: Velva Merrell of Payson, Utah, Vernetta Bindl of Manila, Utah, and Opal Davis of Fairfield, Idaho. ## Hendrick (Hank) Zwart

Hendrick (Hank) Zwart, age 85, passed away 17 March 2024 at the Yuma Arizona Hospital. He was born in Liedan, Holland, on 2 May 1938. His parents were Hendrick Zwart, Sr, and Dingena P Kleinjan. His family came to Ogden Utah in April 1953 to live and enjoy life in America, and they did just that. He attended Ogden High School but found it difficult learning the English language. There were teachers of the Holland area and took him “under their wing.” He began working in the janitorial area before and after school. He continued with Ogden City schools as custodian and custodian supervisor for 30 years. Another 20 years was devoted to being a custodial supervisor on a part-time basis. In 1957 he married Linda Abbot and had two sons: Hendrick Wayne and Ronald William. He married Ruth Pullam, and she passed after 30 years of marriage. In 2012 he married Dolores Longfellow. He loved his fishing days at Flaming Gorge with his dad and friends going every Friday and back home Saturday night. Sunday was the fish fry for the family. So much fun. He also was a pigeon racer beginning in Holland and lasting many years here, He had 200 pigeons, and they won many races for him. He has trophies too numerous to count. He loved it. Hank was predeceased by Linda, Ruth, Ronald, and Pam Waldron. He is survived by his wife Dolores, his son Wayne, sister Willy, Kitty Call, Penny Coltran, Tina Hummel, Brad and Vince Longfellow, his grandchildren, and his great grandchildren.
