The Flaming Gorge Community Foundation is a 501 (c)(3) organization with a mission to help improve things economically in the Flaming Gorge area. We have helped with the Shooting Complex, which just received a new grant from the State of Utah for additional improvements. We have also helped with the Food Pantry, Search and Rescue and events in the area like the Dutch John Fireworks. Pot of S'mores

Directions

1. Prepare grill or campfire for low heat, using 16-18 charcoal briquettes or large wood chips.
2. Line a cast-iron Dutch oven with heavy-duty aluminum foil. Combine cracker crumbs and butter; press into bottom of pan. Pour milk over crust and sprinkle with chocolate and butterscotch chips. Top with marshmallows.
3. Cover Dutch oven. When briquettes or wood chips are covered with white ash, place Dutch oven directly on top of 6 of them. Using long-handled tongs, place remaining briquettes on pan cover.
4. Cook until marshmallows begin to melt, about 15 minutes. To check for doneness, use the tongs to carefully lift the cover.

Ingredients

- 1 package (14-1/2 ounces) graham crackers, crushed
- 1/2 cup butter, melted
- 1 can (14 ounces) sweetened condensed milk
- 2 cups semisweet chocolate chips
- 1 cup butterscotch chips
- 2 cups miniature marshmallows

DIRECTIONS: Find and circle the vocabulary words in the grid. Look for them in all directions including backwards and diagonally.

John Clark Dickerson

John Clark Dickerson was born in Cristobal, Panama to Donald M. Dickerson and Marion Clark Dickerson. His father, a dentist, and his uncles, engineers, assisted in building the Panama Canal. He had one older sister, Dona.

Marion passed away when John was eight and his family moved for a brief time to Council Bluffs, Iowa where his father married Dorothy L. Smith. They then moved to Palo Alto, California where John excelled in sports and dreamed of playing professional baseball, held California state records in swimming, and loved water polo and tennis. He was also an eight-handicap golfer. He remained friends with many of his high school buddies and served in the Korean War with some of them.

After earning a Bachelor of Science in Wildlife Management from Oregon State, he was hired as a Conservation Officer for the Utah State Fish and Game. He worked for the DWR (Fish and Game) for 31 years in St. George, Ogden, Price, Vernal and Dutch John.

While in Ogden, he married Harriet Ann White. They had three daughters, Genevieve, Susan and Claire. They hunted and fished with the girls and family friends, the Parkins and Diamonds.

John's retirement was peppered with great experiences. For many years he hunted pheasants at Tim Larson's Farm in Nebraska; elk in Pipe Creek and fished for halibut in Alaska, sturgeon in Oregon, and bass in Canada.

In Dutch John, he was known as "the old guy who mowed lawns". At one point he had as many as 23 lawns he was managing. As he aged, this number decreased, and he was only mowing six lawns in 2024.

John loved the San Francisco 49ers, flannel shirts, levis, knives and a ball cap. But most of all he loved his family. He worked hard to remember the names of his seven grandchildren, their spouses and eight great grandchildren. But he could tell you the name of every dog we had. And there were lots! John and Harriet love the community, beauty and peace in Dutch John. May he rest in peace and love.

Mass will be held Friday, May 23, 2025 at 11 am at the St James Catholic Church with Rosary at 10 am.
