CONFLICT OF INTEREST DISCLOSURE FORM

Annual Conflict of Interest Disclosure Form

The following disclosures are required to be made annually by all officers of Daggett County pursuant to Utah Code Annotated 17-16a-6, 7, and 8. If additional space is needed, please use a separate sheet of paper. Per statute, the information provided shall be kept on file with the Daggett County Board of County Commissioners and may be subject to disclosure to the public.

I, Meri Pallesen am the duly elected/appointed Auditor of Daggett County.

OR

I, _____ am an employee of Daggett County in the position of _____ for Daggett County.

- 1) I am an officer, director, agent, employee or owner of a substantial interest in the following business entities which are subject to the regulation of Daggett County, and within such business entities, I hold the following positions:

Business Entity Name:

Position within Business Entity:

Hopin' N' Smokin' Brew & Q owner

Ownership of a substantial interest is defined in U.C.A. 17-16a-3(8) as an interest of 10% or more of the shares of a corporation, or a 10% or more ownership interest in other entities, legally or equitably held or owned by the officer, the officer's spouse, or the officer's children.

*Note: There is no case law or statutory guidance as to what constitutes a business entity "subject to regulation of the County." A business which is simply issued a business license by the County may or may not be deemed by a court, administrative agency, an auditor, or member of the public to be an entity regulated by the County. Businesses regulated by interlocal agencies of which the County is a member may or may not be deemed to be a business regulated by the County (i.e., a restaurant subject to regulations imposed by an interlocal agency).

A business entity which requires a conditional use permit to operate may more likely be deemed to be a business entity regulated by the County than a business that simply receives a business license from the County.

Business Entity Name:

Position within Business Entity:

- 3) The following personal interests or investments of mine create a potential or actual conflict between my personal interest and my public duties:

*** OPTIONAL DISCLOSURES ***

- 4) The following disclosures of other business interests, investments, and other matters are not required to be made by law, but are made with the intent to more fully disclose other interests that may be deemed relevant to the administration of public duties, or in furtherance of my intent to provide a more complete disclosure of my economic or personal activities, or for other reasons:
